Dear Sir/Madam,

I am a student from school 1208, and I am writing a recommendation letter to the Organizing Committee of the "the best Mentor of the Year" contest ~~on behalf of~~ to nominate Filippova Elena Voldemarovna, my school English teacher.

WO

I consider Elena Voldemarovna to be the best mentor for several reasons, first and foremost, she is my greatest 'motivator'. She encouraged me, alongside a number of other students, to participate in various olympiads and exams regarding English language - including IELTS, ~~CAE~~, MSU Olympiad and others. As she is a great teacher, I can proudly say that most of the time we had the words "passed with merit" printed out ~~of~~ on our certificates.

Gr However, high scores is not the only thing she ~~#~~ tries to achieve with her students. She also teaches us soft skills and life lessons, prep which are of high importance. On her lessons we, her students, learn how to think outside of the box and be compassionate to one another. Over the time we have learnt from her how Gr to be initiative and ~~hard-wor~~ hardworking prep hard-working, to crave for knowledge and to stand up for ~~our ideas~~ and ourselves, which helps us a lot in our lives.

Besides Elena Voldemarovna is not only our teacher, but also our friend. She is the person who can cheer us up when everything goes ashtray and to share our happiness in times of joy. Because of that, a lot of her previous students stay in contact with her. That is why I consider her All that are the reasons to be suitable for winning the competition.

With high regards,
Alexandra Bunakova
