5	In my opinion, the worst stage of life is being seriously ill. Only at this stage people realise how valuable their life is. However, sometimes it is too late and it is impossible there are no chances to stay alive. People feel only despair. Fortunately, these st this stage happens not to all everybody. I would never wish ^{it to} anybody!

20	It is extremely complicated for young adults to begin a real adult life. They deal with toxic relationships and bad working conditions. Still, they can count on their parents' not financial support. However, "care leavers" can't find this support and face problems. The Welsh government decided to set up a program of a universal basic income to care leavers.	st (4)
