16	shutting the television viewing and computer games + teenagers have always retreated to their bedrooms... — Bedroom culture — Individualistic media — Admire computer games +
17	Increasingly - <u>growingly</u> 0,5 Socialise - — Rise - <u>growth</u> 0,5 Assumed - <u>thought</u> — Consequently - constant —
18	Shut yourself away - to close yourself in a room + Individualistic activities - technical activities connected with — Communal spaces - places, in which you have access to ^{electronic devices} meeting + Kill time - to search for stuff to do when bored. + Stay up - spend time —
19	Book-lover - noun + verb noun; " — " fantasy —
20	Bedroom culture. To my mind, it is the best possible way to name the text according to its <u>main idea and topic</u>, because the author is writing about teenagers' life closely connected to gadgets and electronic devices. and how they teens spend their free time surfing the net and watching TV.
