5	<i>In my opinion, it's hard to understand yourself, your desires and goals when you're over 40. Mostly, people of that age already have a family and a permanent job. But as all the dreams have been accomplished they want a change. In this period life is full of struggling, that's why it is the worst.</i>

20	In this text the author talks about a social problem of orphans not being certain about their future. While other teenagers have parents who give them confidence, they are forced to manage everything themselves. The author supports the decision of Welsh's government, although finds it controversial. ?	4,5	gr
