16	television viewing, computer games, make contact with other children on the Internet, reading, drawing +
4	
17	oftenly communicate + popularize - thought 0,5 as a result resultingly 0,5 gr
2	
18	to not contact with anyone + activities that one can do on one's own + places where people can meet and talk - spend time + not go to bed when it is late +
4	
19	suffixation 0,5 foundation, population + adding of a noun - game-lover, statue-builder + +
4	
20	Children and electronics Modern children and their way of life I would choose this little, as, in my opinion, it best tells about the topic and idea of the text. The whole text is dedicated to children, their means of spending time, socializing, their hobbies, their gadgets and the "bedroom culture".
