16	1) School children are suffering because of a growing trend to wake up in the night to check social medias. + 2) 33% of asked teenagers are unable to study good because of FOMO. + 3) Teenagers with a FOMO are more likely to have a depression. + 4) In some cases it will be affecting your schoolwork. + 5) Teenagers with a FOMO are more likely to be more anxious, too. +	gr
17	reasonable-normal — affecting-effective — study-learn — trend-popular routine + anxiety-nervous 9,5	1,5
18	Do your best-try to do as good as you can + Keep up with-to live with some obstacles and defeat them 0,5 Go online-surf the Internet + To their full capacity-to work harder than usually. + When it comes to-when I mean smth. 0,5	4
19	Schoolwork: school + work (noun + verb) — Example: house work (house + work) + Constantly: constant + ly (adverb + prefix ly) + Example: usually (usual + ly) +	2
20	In my opinion, the best title for the text is „FOMO and another reasons why some teenagers do bad at school”, because FOMO is the main topic of the text, and also we'll read about all effects of FOMO for teenagers.	3
