Dear future generations! I hope the world you live in is perfect. I bet there is no war, violence or plague. I would really like you not to forget your roots and the historical background of your country. In order to remind what was the life of your ~~my~~ ancestors like I put 3 objects in the capsule. ~~for you~~.

The ~~my~~ first thing I want you to observe is the keys. I suppose, ~~you don't~~ have such type of things anymore or ~~the~~ each apartment has an electric biometrical lock guarding it. So, please do not forget ^{how bad} the ~~prevo~~ previous generations suffered when they could not access the flat not being able to find the keys.

The second thing is my ^{ear pods} ~~earphones~~ which ~~is~~ is my favorite ~~thing~~ object on the planet Earth. I simply can not go anywhere ~~with~~ without ~~it~~ music. Maybe ~~the~~ the music is ~~delivered~~ delivered into your brain with ~~help~~ help of ~~the~~ electric signals and you don't ~~not~~ have anything ~~in~~ in your ~~of~~ ears but now you ~~have~~ got a wonderful opportunity to enjoy the songs in a way that we did.

The ~~third~~ third object is a ~~toothpaste~~ toothpaste. I am sure in your ~~time~~ time you have the process of ~~the~~ toothbrushing automatized and being executed by the ~~lazers~~ ~~being~~ ~~changing~~ ~~your~~ As for me, I think that you lose a lot of positive emotions not having the ~~toothpaste~~ tasted even once.

I hope your life is great! I wish you all the best!
