Hello, Ira

I am writing this message in March of 2022. Now my life is challenging. Some event had influenced on me, so, sometimes I was very sad, I often cried and felt alone. In 2022 we have been having Covid-19 for the third year. In 2021 Russians caps had two lock-downs in Moscow in July and November. My best friend had to close his business because of it. Moreover, he had something like depression. So, now if you want to go to the theatre, museum or cafe, you have to have a QR-code or your age is less than 14.

As far as you know, on ~~20~~ <sup>20th</sup> of February my sister Milena born a son. Mother and me were visiting our friends and my grandmother called us and said about this event. At first, I was happy but soon I bursted into tears. I congratulated her. When we were going at home she answered and it was difficult to me because we haven't been communicating for five years. I wasn't able to control my emotions and often feel that I'm alone.

I have mentioned that Milena had a baby. Moreover, in December, I found out that ~~7~~ my father had a daughter. So, now he has 4 children: Milena, Jenia, an me and Ann. When we met he showed some photos with her. It was strange to me that she ~~doesn't~~ didn't take after him, because Milena, Jenia and me took after him. Some people tell me that I am a copie of my sister.

I am sorry I should go. I hope you are in a high spirits. Your family are OK.

Best wishes,

Ira from 2022
