5	Personally I prefer getting advice, rather than giving it to someone. The reason for that is when you receive any advice from someone experienced and more wiser wise, for example your parents, it can help you not to repeat their mistakes and avoid many problematic situations. In most cases advice can make your life better, however you have carefully choose whom you are listening to.

20	Donald Trump lost elections to Joe Biden. All countries have a transfer of power. The election was rigged like in Brazil, when Bolsonaro lost to Silva. Despite losing the election, Bolsonaro peacefully transferred power to Luiz Silva, and asked his supporters to join peaceful demonstrations without disruption. However he doesn't want to leave politics, his movement is a major force in Brazil, his party won the most seats in Congress, and he said that this election is more alive than ever. he got a lot of support because of his speech наша страна известна в мире
