Вариант № 2

16	1. One group reacted positively + 2. another group of children felt that their intelligence was being judged they were satisfied 3. some of these children said they might cheat in the future + 4. others looked for someone who had done worse than them 5. their abilities could be developed +
17	1. to think in other way, — 2. to work carefully — 3. to make someone at themselves better + 4. to study smth for your future and knowledge — 5. on professor's Dweck opinion +
18	1. too hard 2. 3. 4. 5.
19	1. w + ly => adjective, closely, carefully 2. un + w => understand untouchable
20	I think the same as Professor Dweck and agree with his theory. Nowadays we have many different problems <u>with</u> <u>the</u> education system but our government tries to cope with them, <u>even</u> it is too hard. For myself, I'm a B group, I'm already have a growth mindset.
