20	My version of the title for this story would be "The out other side of the coin", since the text tells us about difficulties rich people have to deal with. The heroes to try to manage with a huge amount of work. Therefore, the title would reflect the idea that having a prosperous business entails overcoming certain obstacles.	0 0 0 0 0 0

To the Organising Committee of "The Best Teacher of the year,"

I am writing to you concerning your contest. I would like to propose my candidate, namely, my Literature teacher Egor Ivanovich Zaitsev.

Egor Ivanovich's compelling lessons ~~are~~ do not leave anyone indifferent to the subject. He always finds the way to explain even the most complicated issues to us. He often provides us with examples we are able to grasp to make the process of learning easier for us. Moreover, Egor Ivanovich encourages us to think laterally and freely express our thoughts. For instance, last month he organised a poetic ~~competition~~ contest to give us the opportunity to boost our creativity.

Egor Ivanovich is a well-qualified and respected specialist in his area of expertise. ^{for example, he} successfully combines working as a teacher and a translator of books from German into Russian. His brilliant command of a foreign language helps him to understand literature of other countries ~~more~~ more deeply.

Egor Ivanovich does not miss a chance to give us advice on all life issues. He is also an out-going and cheerful person with a fantastic sense of humor.

I wholeheartedly hope that I managed to persuade you that Egor Ivanovich deserves to win the contest. Thank you for your time.

Yours faithfully,
Ivan Ivanov
