Dear Organizing Committee of
The Best Mentor of the Year" contest,
Thank you for launching such
an interesting contest in Moscow.
I therefore would like to nominate
a person who I consider to
be a great mentor. This person
is a professional teacher who
knows several foreign languages
on an advanced level. ~~For~~
They are a very kind person
who never hesitates to help people.
This is a person who I can
always ask for advice when
I have problems, and I also
consider this person a friend. 88
For instance, one day I had
a very difficult exam that I was
not prepared for. I was very
worried, and I asked this person
for help. Not only they have calmed
me down, but they have also explained
the theme that I did not
understand to me. 48
Another day I fell ill and
had to skip school. I found
out that I ^{had} missed a very important
lesson of English grammar.
This person once again saved me,
found a good and simple explanation.

nation of the theme which I
had missed and showed it to me.
And because of that I managed
to pass a test later.

I sincerely believe that the person
whom I nominated deserves to win
the contest. Please consider them
as a participant of the contest.
