20	I think that the best title for the text is "A good lesson". I chose this title because everything changed in Fiona's buisness[32] after Will told her the secret of making money. Her teaspot became[45] very popular ~~and~~ and even the Prince of Wales visited it. Her shop became so successful that she didn't have enough workers to sell tea.

To the Organizing Committee
of "The Best Teacher Of The Year" contest.
Dear Sirs/Madams,

I am a student of school 1357 and I would like to ~~recommend~~ suggest a candidate for "The Teacher of The Year" contest. His name is Integralov Vladimir Vladimirovich and he is a history teacher.

Vladimir Vladimirovich is ~~a specia~~ very good at history. He is able to talk ~~ab~~ about ~~a certain~~ any historical period for a long time without using ~~any~~ books or notes, as he knows ~~everything~~ everything by heart. In addition, he always uses new technology in his lessons, he has a lot of presentations and often shows us movies and documentaries. Last time we watched "V boi idut odni stariki". That helped ~~us~~ us understand ~~the~~ the people who fought in the great patriotic war.

Another point to be mentioned is that Vladimir Vladimirovich has achieved a lot in volunteer work. He is a great inspiration to students. When we were collecting bottle caps for recycling, he organized us well, so with his help our school collected tons and tons of bottle caps.

Our history teacher is also ~~very~~ fun. He often uses humour to entertain us. However, he is very strict when ~~needed~~ he needs to calm us down. ~~Or when he wants us to prepare for an important test~~
