Recommendation letter.

✓ Dear members of the Organizing Committee, as a part of "The Best Teacher of the Year" contest, we would like to recommend a candidate for this title. The nominant we suggest is an English teacher from our school Igor Vinogradov. We find him a worthy candidate due to his high professional skills and active participation in municipal and regional educational events.

Sp Working together with his students, he's prepared them for multiple olympiades, in which some of them took top-3 places, both at the municipal and regional stages. He took their team to the final stage of the city debates in foreign languages, won ~~multi~~ several grants for our school's development in creative contests, such as "Bolshaya peremena", participated in regional conferences on methodical work in educational sphere.

Sp Furthermore, his professional traits are not only valued by other specialists but also by his students. In a questionnaire about the most popular teacher, Igor Vinogradov has received 89% of the votes. His students are very fond of his open and helpful personality and find his teaching methods effective and interesting. Igor Vinogradov interacts ~~with~~ excellently with both the teachers and the students, he has great communication and problem-solving skills.

In conclusion, we think that Igor Vinogradov is the best nominant for this contest and recommend you to consider his candidature.

Sp Best regards,

school's student committee.
