ТЕСТ. БЛОК 2.

9 класс

Вариант № 1

16	<p>1) T "the ..ELT..will be by far the most capable such instrument.. quite possibly the most ambitious telescope that will grace... the Earth"</p> <p>2) F "It spoke both to Europe's past cultural pre-eminence and to its future as a family of nations."</p> <p>3) F No, because it is mentioned with the popular ELT and called Big Science.</p> <p>4) T "mostly specific to particular fields, and not part of the EU institutions"</p> <p>5) F "it <sup>is</sup> also a world lab serving researchers from America, China, Japan and beyond."</p>
17	<p>1) The ELT is, as its name suggests, an extremely large telescope located in Chile's Atacama Desert</p> <p>2) As self-absorbed, outdated and unable to make decisions</p> <p>3) The CERN laboratory serves as a representation of Europe's past and future. It's a collaboration between nations, all working together.</p> <p>4) You need a stable institutional mountain, meaning a strong base of support.</p> <p>5) In the post-war period</p>
18	<p>1) A great and impressive breakthrough, human achievement</p> <p>2) To be dismissed or ignored a lot of the time.</p> <p>3) One specific talent or strength</p> <p>4) <del>Elaborate</del> Science that focuses on big issues such as space exploration.</p> <p>5) To work on something for the common good.</p>
19	<p>1) able</p> <p>2) collect</p> <p>3) occupy</p> <p>4) am order</p> <p>5) a prize</p>
20	<p>European science is frequently sidelined, nevertheless, the ELT, which is going to be possibly the most ambitious telescope in history, is a European achievement. They have an extremely strong support system for scientists, pooling them together to work on incredible projects. At the same time, they collaborate with other nations on projects like CERN.</p>
