ТВОРЧЕСКОЕ ЗАДАНИЕ

The advancement of ~~technologies~~ ^{technologies} laid the foundation for the exploration of outer space. The idea of getting in touch with other intelligent forms of life has recently appeared on the agenda. I find it rather controversial. Although this operation is a step towards a promising future, an overwhelming amount of risk is involved in it.

On the one hand, ~~the~~ ^{an} encounter with other intelligent creatures can ~~appear~~ ^{appear} to be highly beneficial. The system of communication can be established to exchange innovations and experience. It is ~~probable~~ ^{possible} that one of the civilizations has already surpassed another in various aspects of life. For instance, remedies to the diseases, the ways to deal with pollution, ~~answers to the greatest secrets~~ and other issues can be worked out ~~when~~ in cooperation.

On the other hand, launching this campaign implies taking the risk of misunderstanding. ~~Alien creatures can take~~ ~~perceive the attempt of contact as an invasion.~~ Even though human beings have the purest intentions in mind, alien creatures can perceive the attempt of contact as an invasion. As a result, the war would be declared on the planet Earth. ~~It is highly unlikely that both forms of life would have a promising future.~~ ^{and take the future away.}

Overall, I would think twice when making the decision of reaching to another form of life. If it is made sure that humans act ~~from~~ ^{from} the sake of interest and science, then the communication is a sensible idea. ~~Actually,~~ ^{In this way,} advantages outweigh ~~the~~ drawbacks and we should go ~~for~~ ^{for} it.

A large area of the page is covered by horizontal lines for writing answers. A large, irregular scribble is drawn over the lines, starting from the top left and extending towards the bottom right, effectively obscuring the writing area.

If it isn't for her ability to clear the air, their marriage deal will break apart. The story is a great example how people can be fooled by the power of persuasion.</p>
