ТЕСТ. БЛОК 2.

10-11 классы

Вариант № 2

16	<p>1) But what could the thoughts of those creatures matter to someone who stood there bleeding to death, pierced to the heart, to the heart, by such a letter.</p> <p>2) "Mealy is in a wax."</p> <p>3) 1) ... the younger girls began to feel positively frightened. 2) The older girls were crimson; some of the younger ones began to cry.</p> <p>4) "Pay no attention to letter, must have been mad, bought hat-stand today - Basil", she read.</p>
17	<p><del>"Mealy is in a wax"</del> 1) Basil's words, about thinking that their marriage would be a mistake and the scratched-out "disgust" shook her to the core.</p> <p>2) When Miss Meadows is unhappy, she chooses gloomy compositions ("Alament"). When she is happy, she chooses cheerful and light songs.</p> <p>3) Everyone was surprised because of Miss Meadows' age. She was older than Basil (she was 30, he was 25 years old)</p> <p>4) 1) On the wings of hope, of love, of joy, Miss Meadows sped back to the music hall, ... 2) ... Miss Meadow's voice sounded over all other voices - full, deep, glowing with expression.</p>
18	<p>1) - walked through empty corridors <del>the younger girls began to feel positively frightened</del> - was struck to core</p> <p>2) <del>The older girls were crimson; some of the younger ones began to cry</del></p> <p>3) - in a strict <del>voice</del> <sup>voice</sup></p> <p>4) - to be really afraid of something</p> <p>5) - looked at her students</p>
19	<p>1) darkness</p> <p>2) sighing</p> <p>3) rushed back</p> <p>4) corridor (narrow space between sth)</p> <p>5) indifferent</p>
20	<p>In my opinion, "The Force of Words" can be a good title for the story. We can see how Miss Meadows' behaviour changes <sup>after</sup> when she reads Basil's letter and his telegramme. <del>His</del> Basil's words influence his fiancée's mood, behaviour, attitude to other people. Moreover, Miss Meadows <del>believes</del> <sup>thinks that</sup> all his words are true and that Basil is honest.</p>

ТВОРЧЕСКОЕ ЗАДАНИЕ

Nowadays Chat GPT plays a great role in our world. Although Chat GPT was created a few year ago and ~~its impact is~~ the situation with its use is still ~~debatable~~, Chat GPT is used around the world. Still ~~we do not have~~ there are concerns about its significance.

In general, there are two sides that have completely different ~~points of view~~<sup>opinions</sup>. Some people think that Chat GPT helps them in different aspects of life. For example, it can write an essay, or instruction, ~~and~~ analyse different texts and pictures in order to find what they have in common, ~~and~~ explain something etc. This means that Chat GPT helps people of different professions and age groups.

Talking about people who have the second point of view, they ~~do not~~ do not agree ~~with~~ with the first ones. These people believe that Chat GPT ~~can~~ leads to negative consequences, for instance, to the downfall of education and critical thinking. Furthermore, its ~~use~~<sup>use</sup> is believed to have numerous drawbacks. For example, Chat GPT ~~often~~ makes mistakes, ~~and~~ changes facts. Moreover, it uses Internet ~~resources~~ that sometimes cannot be trusted.

Personally, I think that the both sides are ~~partly~~ right. ~~and~~ I ~~partly~~ agree ~~with~~ with the both. I ~~partly~~ agree with the fact that Chat GPT can be useful, but I also think that there are some negative effects of its use. ~~Students sometimes use Chat GPT to save time, but~~ ~~in my opinion,~~ <sup>I hope that its use won't</sup> ~~this may~~ lead to the downfall of ~~critical~~ ~~thinkin~~ education.
