Вариант № 1

16	<p>1) "London airport seemed drab and miserable... her life in London merely the hopefully forgotten past." 2) "It was cold and alien as Malaysia had seemed six years before..." 3) "Emma glanced mischievously up at Julie, her grey eyes dancing." 4) "In the beginning, this knowledge had caused Julie no little anxiety..."</p>
17	<p>1) six years 2) Emma helped the stewardess to hand out the magazines. 3) Her family resemblance 4) "... Julie hugged her coat closer about her suddenly, feeling cold and apprehensive.", "she avoided looking in that direction."</p>
18	<p>1) it was up to her — she was the one responsible for 2) eyes dancing — ^{she was} looking at different sides fast 3) lips turned up at the corners — she smiled 4) throng of people — a ^{big} crowd of people 5) tugged ^{her} hand — grabbed her hand to the low and put it to the low</p>
19	<p>1) drab — bland 2) playfully mischievously — playfully 3) arduous — tough 4) apprehensive — worried 5) cursory — not straight</p>
20	<p>I think the title "An Imminent Meeting" will be suitable for the given story, since the narrative revolves around Julie and Emma, who came back to London after living in Malaysia, and now, Julie "must take up contact again with Michael's family (her husband's)." Julie wants to delay this moment, but as Emma asks her about "Grandma", she understands that she will have to meet her husband's family any way. ^{this meeting is inevitable.}</p>

ТВОРЧЕСКОЕ ЗАДАНИЕ

Nowadays chat GPT is ubiquitous, and there is a popular belief that it may affect education and ~~our~~^{one's} critical thinking in a negative way. Is it true, in reality?

On the one hand, I ~~am~~ incline to the view that chat GPT can indeed degrade ~~people~~ one, since it is easy to just ask chat GPT about something, and it will give a compelling answer right away. Therefore, one ~~will~~ not have a necessity to ~~contemplate something~~ ponder over something themselves anymore, which can lead to ~~their~~ the decrease of their knowledge and critical thinking.

On the other hand, I ~~do~~ deem chat GPT beneficial if used in a thoughtful way. For instance, chat GPT can help one to ~~practise their target~~ language learners to practice their target languages. Particularly, one can ~~talk~~^{with} communicate with chat GPT in ~~that~~^{its} very language, thereby earning experience in using ~~the language~~ it in a dialogue. Since I ~~used~~^{myself} chat GPT to practice Korean ~~myself~~, I can ~~prove~~^{confirm} that ~~this~~ this way of honing ~~our~~^{one's} language skills is truly ~~benefi~~ useful.

Ultimately, I believe that chat GPT can indeed cause the downfall of one's knowledge and critical thinking if ~~ex~~ exploited without consideration, just as a way to cheat. However, I think that if one uses chat GPT wisely, it will be ~~of~~^{undoubtedly} great ~~advan~~^{benefit} ~~for~~^{crat} them.
