~~Nowadays, ~~no~~ people in numerous parts of the world are~~
Nowadays, there ~~are~~ is a multitude of people who are
starving in numerous parts of the world. What are
the possible causes of it? How can we ~~eradica~~ ^{to handle} alleviate
the problem of food insufficiency in some parts of the world?

In my opinion, ~~one of the biggest reasons of the lack in~~
~~some places~~, there is a lack of food for everyone mainly
due to abject poverty. Poverty, in turn, can be caused
by the climate not being conducive for cultivating crops, ~~the~~
thereby leaving people without an opportunity to grow food
for themselves. For instance, ^{Africa's climate} ~~many countries~~ in Africa
are plagued by poverty. ~~The climate there~~ is extremely
dry and hot. ~~Thus~~ and there is ~~at~~ almost no fertile
soil. Thus, people cannot grow food. Furthermore, since
~~these poor countries generally have no large-scale production,~~
^{which is why they are poor and} ~~they have little money, therefore they cannot buy~~ ^{provision.} ~~food.~~

In order to solve the ~~the~~ problem, I see fit to establish
more funds ~~which~~ with an aim of supplying starving
the countries with ~~people star~~ plagued by ~~the~~ lack
of food with necessary provision. I believe, people
living in affluent countries should support those in
need. ~~Also~~, I think that we should spread awareness
about ~~some~~ ^{starving} people in some parts of the world ~~to~~ and
~~motivate individuals to encourage~~ sending money to these
people. ~~Only~~ In schools, for example, more attention should be

brought to the topic.

Ultimately, ~~people~~ the predicament of people in some places
not having enough food has its ^{causes} reasons. ~~How~~ Despite

20	I suggest the title "The Story of Adele's Two Women's Life". It conveys the purport of the story, as the life of Adele and Rebecca is described. Also, the title is contains a pun: the phrase it "the story of my life" implies some unpleasant event in one's life. As in the text, such a predicament is Adele's illness and Rebecca's "unhappy situation". Thus, the story the title both conveys the plot and subtle points the main details conditions (Adele's poor condition)
