17	the Harry Potter books and films offer rewarding experiences; the richness of Rowling's creation; has captivated readers and viewers alike, becoming a global phenomenon; Books provide a more detailed and immersive journey into the wizarding world; inspiring the imagination and wonder in audiences worldwide.
18	transcends age and culture - understood by people regardless of their age or cultural background. the two mediums - two things to compare. delves deeper - provide a more detailed understanding of immersive journey - a story that makes you absorbed in the plot, relate to characters, believe it's real. enduring legacy - fame of something.
19	worldwide: two words combined. example: skateboard compression: a suffix added. example: impression
20	I suggest the title: "Harry Potter Books and films compared." I believe that it clearly shows what the text is about and provides expectations. The title would be easy to understand, since it is a description of the text itself. It's not too short but not too long.
