ВАРИАНТ № 1

Nowadays while many countries and regions are thriving, some parts of the world are facing famine. How did that come to be, one might ask?

Well, over the course of history countries have been developing at different rates ~~and~~ with some taking advantage of the others, making those their colonies and depriving them of goods and means to grow both economically and politically. Thus, the colonised countries are now not provided with the means necessary for taking care of their citizens.

To lessen the poor countries' struggles and ~~to~~ help people there improve their quality of life, the states that have abused their power and used the colonised territories' resources need to provide them with money, specialists and other aid to give them an opportunity to reach the level of life of the well-developed regions.

The solution to the problem is on the surface and numerous public figures have tried to draw attention to the struggles of the ~~the~~ third-world countries but the thing is, it is not financially beneficial for the developed countries so not many of them are taking action.

To conclude, I believe that the hardships of the poor countries can be brought to an end and people should keep on trying to bring such ideas to attention of the world.

Вариант № 1

16	1) The humidity throughout the long day had been exhausting and not even the air conditioning could cope entirely with the damp heat. 2) a) Adele had been particularly trying. b) constant demands of a fractious, unhappy woman c) Adele would not appreciate such sentiments 3) Rebecca swam strongly out where the water deepened to dappled green and turning on to her back floated for a while, her hair spread like seaweed around her.
17	1) 2 years 2) in her late twenties 3) because no one ever came there 4) a heart complaint 5) to escape from an unhappy situation
18	1) wind started blowing 2) as if it was owed to her 3) life-long struggle 4) personal haven 5) to deal with the day ahead's tasks and struggles
19	1) difficult 2) estranged 3) unsatisfied 4) unhealthy 5) dying
20	Escape from unhappiness I would suggest this title because it is mentioned in the text that both Adele and Rebecca were unhappy with their lives and decided to run away from such conditions. The irony is that neither of them became content with their lives. Rebecca having to put up with Adele's temper and Adele still battling her disease and feeling lonely.
