ВАРИАНТ № 1

Nowadays people from various regions experience a lack of food. There are many reasons for this ~~situation~~^{issue} and people from all over the world are searching for ^{the} solution.

From my point of view, the main cause of this problem is ~~diversity~~ countries' inequality in terms of access to resources. While governments in ~~other~~^{some} countries do their best to fight with poverty and make sure ~~that~~^{people's} need ~~for~~^{for} food ~~and~~ is fulfilled, others ~~are~~ struggle to solve this problem since their opportunities are limited.

In my opinion, global partnership is a key solution to the problem. International conflicts and disagreements between different countries and nations may lead to further worsening ~~of~~ the lack of food. On the contrary, unity and striving for improvements will help ~~to~~ decrease poverty and build a connected system that ~~is~~ prioritizes humanity.

Another vital part of the solution is creating organizations that will contribute to the escalation of this situation. There should be special places ~~that~~ which will keep an eye on those who face starvation. Volunteering ~~should~~ must be encouraged as well since it will add to the sense of community and help solve the issue of starvation.

To sum up, the lack of food is widespread. Everyone must pay attention to this issue and attempt to ~~make their~~ make their own impact on its solution.

Вариант № 1

16	1) the humidity throughout the long day had been exhausting and not even the air conditioning could cope entirely with the damp heat. 2) constant demands of a fractious, unhappy woman - she looked pale and languid. Adele would not appreciate such sentiments. 3) Rebecca swam strongly out to where the water deepened to dappled green and turning on to back floated for a while, her hair spread like seaweed around her.
17	1) constant demands of a fractious, unhappy woman 1) Rebecca had been Adele's nurse for eight years 2) she looked pale and languid 2) Adele was in her twenties. 3) Adele would not appreciate such sentiments 3) Rebecca considered the lagoon her sanctuary as no one ever came here. 4) Adele was afflicted with congenital heart disease. 5) Rebecca agreed to become Adele's nurse to escape from an unhappy situation.
18	1) a light wind started blowing 2) 3) a disease that a person has since their birth 4) a place where one can relax and unwind in pleasant solitude 5) to start the day and meet the usual routine
19	1) attempting 2) different 3) demanding 4) 5)
20	In my opinion, the title "A strong-willed lady and her patient nurse" would suit this story. Adele was a woman who had enough courage to leave her hometown and start a new life despite her congenital weakness. Rebecca, Adele's personal nurse, was always there for the lady despite her demanding behaviour. This story focuses on their background and relationship.
