The Threat or Salvation

The artificial intelligence is one of the most crucial and glorious invention of our age. ~~It is recently the independent technological intelligence could be perceived only as a passage from a teenage sci-fi book. But now it is it's our reality. AI is incorporated in almost every domain of our society. Moreover it ~~sets~~ abides by the course of being embraced further. It can seem really beneficial since it AI facilitates the progress in every sphere. Nonetheless it obscures certain threats.~~

But why ~~is~~ has it become so ~~common~~ ubiquitous? The thing is, AI is really useful. It can be a benefactor in every activity: it can compose an essay, solve ~~the~~ a math problem, etc. Aside from that, AI can be really ~~beneficial~~ ~~improving~~ ~~improvement~~. So capitalization of ~~that~~ novelty isn't to make us wait. For example, Hollywood ~~needed~~ ~~to~~ exchange a huge share of artistic stuff ~~with~~ ~~the~~ AI.

But how ~~can we~~ ~~can~~ ^{can we} resist those changes? For instance, that very workers of Hollywood organized the strike and compelled the authorities to succumb. But not only ~~strikes~~ can strikes coerce companies step back, they can lead to
