Famine is one of the most dangerous natural disasters. There is not enough food in many countries. There are some reasons that cause this situation.

For example, the country can be very poor so it can't buy any food or plants to grow their own vegetables and fruits.

The other reason is a bad climate. The soil can be too thick and dry so people can't grow their food and animals don't have anything to eat. ~~Otherwise~~ Likewise, too rainy and humid places can cause overhydration for trees and plants. To avoid this problem we can build special buildings where climate will not affect the harvest anyhow.

Another issue that can arise is overpopulation. It causes pollution and famine at once. A government may not be able to buy food or produce its own and with pollution no healthy food can be eaten. To solve this problem government needs to create laws to fight with overpopulation, but, of course, they mustn't be very strict or longlasting

or else people will stop wanting a family and will only care about their own life.

All in all, in my opinion there is one solution that can solve all problems. It is ~~as~~ important for other countries to help others in need. We can organise charity concerts or collect different supplies. Together we can overcome all problems!

Вариант № 1

16	1) The humidity throughout the long day had been exhausting. 2) Rebecca emerged from her patient's room and closed the door thankfully; fractious, unhappy woman; Adele would not appreciate such sentiments. 3) Rebecca swam strongly out to where the water deepened to dappled green and turning on to her back floated for a while, her hair spread like seaweed around her.
17	1) 2 years 2) she was in her late twenties 3) Because no one ever came there 4) she was afflicted with a heart complaint 5) she wanted to escape from an unhappy situation
18	1) weak wind was blowing 2) as her responsibility 3) a private place that belongs to a person 4) a heart weakness 5) a private place that belongs to someone 5) to start a daily routine
19	1) suffering 2) dislike 3) angry 4) sick 5) uncolouring lighting
20	I think that the title "Nurse's diary" is the most suitable one, because in this story we see how Rebecca spends her day as the Adele's nurse. We also see everything from her point of view. She tells us about Adele, her uneasy life and character and we see how sympathetic Rebecca is.
