ВАРИАНТ № 2

In the modern world, where everyone thinks only about himself, there is a problem with wasting food. People usually don't realize how bad it is to throw food away. We take all we have, including food, for granted and don't think about others. In some countries people have not enough food to eat. For example, in Africa a lot of people, and mostly children, die from famine. At the same time, we go shopping everyday and ~~usually~~ then go home with huge bags full of food, that we don't really need. It is unfair. Besides, wasting food has a very negative effect on the environment. All ~~this~~ this package made of plastic pollutes ~~our~~ soil. Only a few people sort garbage and help to recycle it. I think, that should be changed. We are responsible for this. There are some actions, that we can do to reduce the amount of food we throw away. People should buy only food, that they are sure they can eat. There is no need to buy more. If you haven't eaten something, you can give it to poor people. People also should ~~not~~ ~~not~~ give package of food to recycling. If all people become responsible, we will be able to solve the problem of wasting food.

16	1) Those who could pay, did. Those who could not brought her butter and cheese, fish, tortillas, eggs, and fiery pepper sauce. 2) Rumor has it the speculator had gone bankrupt and that the doctor had bought the land from him. Some said she had money of her own and would build a great mansion. 3) This is just like the fairy stories you used to tell me.
17	1) On weekdays the doctor attended to her patients, and her daughter attended the local school. Every evening they were at the station. 2) Mr. Ramos couldn't stop believing in Mr. Baxter's existence because to do so would have been to admit that the hard and simple things of life - love, hope, faith were foolish and counted for nothing. 3) He was a thin, haggard man. He was gentle. He walked with the help of a cane.
18	1) open 2) visits ill people 3) in the evening 4) were useless and unimportant 5) hug his wife
19	1) saw 2) part 3) smiles 4) ill 5) said "good bye"
20	"Wait for me and I'll be back" I think this title is perfectly suitable for the story, because it describes the loyalty, faith and love of the doctor Baxter and the hope in Mr. Baxter's return. Mrs. Baxter believes that her husband would come and waited for him for a long time. This is really like the fairy story. 52 words
