ВАРИАНТ № 1

One of the main issues nowadays is poverty. To be more specific - hunger. There are many areas on our planet Earth that suffer from not having enough food. However the reasons that caused this aren't a secret, meaning it's not hard to come up with a solution.

The main cause of hunger is the history of some countries. ~~It could be a war or corrup~~ A history of wars or corruption could cause such ~~to~~ a thing. ~~After~~ Many African countries ~~are~~ were basically at war with Europe - they were colonized. The outcome is that today ~~&~~ many African countries suffer from hunger. This is because ~~they~~ their economy can't provide enough food for everyone.

There is an easy solution. The UN should create a resolution that would make richer countries donate to struggling ones. This whole process must be controlled by someone in order for the money not to be stolen. If enough money is collected and everything goes as planned, then many countries should be able to save themselves from hunger.

There are many issues around the globe. ~~&~~ Unfortunately only the minority is getting the
