| 17 | <p>captivated readers<br/><del>breath</del>taking effects<br/>considered excellent<br/>stunning and emotionally engaging adaptation<br/>spectacular fashion</p>                                                                                                                                                                                                                                                                                                                                                                  |
| 18 | <p>is interesting for any age and culture<br/>two parts of the book<br/>describes deeper<br/>interesting journey<br/>captivating bravery</p>                                                                                                                                                                                                                                                                                                                                                                                     |
| 19 | <p>словосочетание<br/>waterfall, sportsweat<br/>суперфиксальный<br/>impression, distraction</p>                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| 20 | <p>Global phenomenon - "Harry Potter" by J.K. Rowling.<br/>a suitable<br/>I consider this title <del>as the</del> one, as, in my opinion, it describes the main idea of the text perfectly. These series of books captivated millions and is <del>at</del> known all over the world. The text describes the differences in <del>text</del> books and films. It shows how deeper is the description in book is. How colorful are <del>me</del> scenarios in films. "Harry Potter" impress people and inspire the imagination.</p> |
