ВАРИАНТ № 2

Nowadays, people waste a lot of food and it is a very big problem. They do not understand that it is very harmful for environment. People believe, that rubbish is unimportant thing and it will disappear somehow in the near future. But it is not true.

I reckon, that people waste food because they do not know which obstacles they should overcome in the future, if they do not stop. ^{On their opinion,} ~~People suggest~~ it is not an important problem and the rubbish, that they throw away on the streets, will disappear. However, it can cause a lot of awful ^{harmful} consequences.

Anyway, there are some tools that can be done to reduce the amount of food we throw away. For example, government ^{can} advertise reducing the trash and, of course, teach people how to correctly collect the rubbish. If people collect the rubbish in the right way, it will help workers to reduce all the trash ^{faster}. Moreover, ~~former~~ government ~~can~~ make a law that people must collect the rubbish. If they did not do it, they would be sentenced for a half a year in prison. ¹⁹⁴

In conclusion, I am strongly convinced that people should understand that throwing away the rubbish on the street is extremely harmful for environment and for us as we are part of the world.

17	1. On weekdays the doctor attended to her patients. And her daughter attended the local school. 2. Mr. Ramos couldn't stop believing in Mr. Baxter's existence, as to do so would have been to admit that the hard and simple things of life—love, hope, faith were foolish and counted for nothing. 3. The man was handsome, but gaunt. He walked with the help of a cane. ...haggard man who got off the train after everyone else.
18	1. important inhabitants. 2. to visit patients 3. every evening 4. means to mean nothing for someone 5. to put your face on someone's neck while having a hug.
19	1. see 2. house 3. say 4. disable 5. to say goodbye
20	The doctor's love story true love I would suggest this title for the story because in this story we can read about how a true love can overcome all obstacles on her way. I reckon that a true love we should believe in true love, doesn't matter what's happening. ⁴⁰ That's why, I think, this is the best title for that story. ⁵²
