ВАРИАНТ № 1

It is well-known that there are a lot of different problems on our planet. One of them is the lack of food for everyone. ~~mean~~ Usually, such problems are faced by poor countries, ~~such as some countries~~. First of all, lack of food can be caused by economic issues. As I have already mentioned, poor countries have such problems more often. For instance, people may have low salaries and food which could cost an arm and a leg. ~~Somehow~~ Secondly, lack of food is a consequence of a poor harvest. It may be affected by floodings, heat waves and other natural disasters. Thirdly, there might be ~~over~~ overpopulation in some countries. Due to this country may just not produce enough products for everyone.

To tackle the problem of the lack of food, people around the world can organise some movements or charities, in which some would invest their give their money for those who need food. We could also reduce the waste of food. For instance, we could ~~no~~ not ^{just} throw away bad vegetables or fruits which are going to be bad, but give them to some organisations which give food to those in need. We should also become more eco-friendly, since ~~some of the~~ ~~prob~~ issues connected

Вариант № 1

16	① The humidity throughout the long day had been exhausting and not even the air conditioning could cope entirely with the damp heat. ② "a fractious, unhappy woman", "she had never got on with them" "she was just naturally averse to her sisters" ③ Rebecca swam strongly out to where the water deepened to deep teal green and turning on to her back floated for a while, her hair spread like seaweed around her.
17	① Rebecca had been Adele's nurse for eight years. ② Adele was in her late twenties ③ She thought like that since the beach belonged to the villa, but Rebecca was the only person who used it ④ She had a heart complaint ⑤ She wanted to escape from an unhappy situation.
18	1) a cool air which you can feel 2) to take something for granted 3) 4) personal place to relax 5) be ready to cope with all problems
19	1) to attempt 2) jealous 3) bad-tempered 4) weak 5) white
20	To my mind, "Rebecca the Adele's nurse" might be a good title, as she seems to be the main character of the story. We are given the information about how she became Adele's nurse and how the way she considers Adele to be an "unhappy, fractious" woman. Further we can read about her day and her sanctuary.
